## More than \$5.7 million approved for fish and wildlife

Our Columbia Region Board has approved \$5.75 million for fish and wildlife projects, with details to be announced this spring. Grant applicants will be notified in February and projects could start by April. Read our [Information Kit for approved grant applicants](#).

## Read our reports and results

[Final reports](#) for FWCP projects are on provincial databases. Use our searchable report lists to find final reports. If you can't find what you're looking for, [contact us](#). Check out our new [results page](#)

## Join us on LinkedIn

Connect with the Fish & Wildlife Compensation Program now on [LinkedIn](#). Look for us on Instagram in April.

The FWCP is a partnership between BC Hydro, the Province of B.C., Fisheries and Oceans Canada, First Nations and Public Stakeholders to conserve and enhance fish and wildlife in watersheds impacted by BC Hydro dams.
