

Last call: Help us update our Peace Region action plans

April 2020

Join us online: Share your ideas to support fish & wildlife

We've been working on draft updates to our Peace Region action plans and are seeking your input by Friday, May 1, 2020. Your feedback will help us refine the actions eligible for future FWCP funding as we work to conserve and enhance fish and wildlife in watersheds impacted by existing BC Hydro dams.

Last chance to join an online info session!

We're hosting our last online information session Wednesday, April 29, 2020, from noon-1:30 p.m. (PST). Join us and learn more about our draft ideas to update our action plans, which define the projects eligible for FWCP funding. RSVP to fwcp@bchydro.com so we know you're coming. If you don't RSVP, no problem. All the meeting [details are here](#). Hope you can join us.
